

REMOTE CONTROL INFORMATION

The Brotherhood of Locomotive Engineers' Ohio State Legislative Board is asking all railroad employees to fax any information they may have regarding the use of remotely controlled locomotives to the OSLB's Remote Control Fax Hotline. Such information could be, but is not limited to:

- CARRIER
- TERMINAL
- JOB NUMBER
- NUMBER OF CREWMEMBERS
- START TIMES
- RC ENGINE NUMBERS
- NUMBER OF RC BELTS/PACKS
- UNSAFE CONDITIONS
- ACCIDENTS
- YOUR DIVISION NUMBER

Fax or Mail to:

Ohio State
Legislative Board
3743 Bratton Dr.
Canal Winchester, OH
43110

Fax: **614-833-3706**

Write down any information you have and send it to the OSLB on a sheet of paper. There is no need to sign the document or call. Any info you have could prove useful!

We've all asked, *"What is the BLE doing about remote control?"*
Now we're asking, *"What are you doing about remote control?"*
